

AIREYS INLET TO FAIRHAVEN CYCLE PATH

OPTION B: Off-road shared cycling and walking path

PROPOSED DESIGN OPTIONS

1 Skate park/playground

Widen existing pathway and proposed pedestrian crossing on Inlet Road

2 Allen Noble Sanctuary area

New shared walking/cycling pathway

3 Top shop precinct

Cars and bikes share the road with clear signage and slow speeds, plus proposed pedestrian crossing. Any treatments at this area will consider the proposed Top Shops Design Improvements project

4 Community garden area

Proposed raised intersection off Fraser Drive, Anderson Street and Alice Road

5 Connection to town facilities

Link to Community Centre and primary school

6 Painkalac Creek

Proposed cycling/walking path on ocean side of Great Ocean Road subject to further investigation

WIDEN EXISTING PATHWAYS

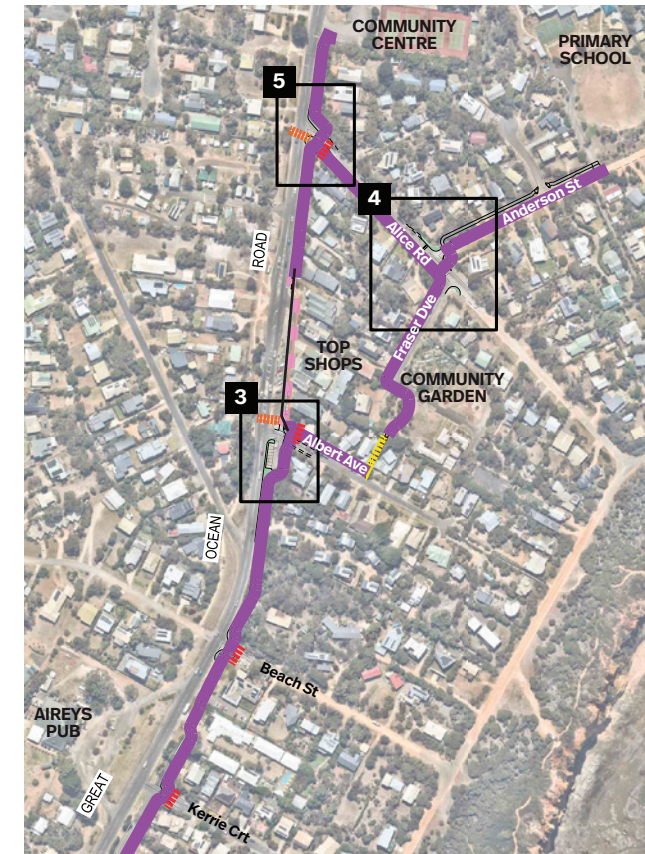

Widen existing paths to create a continuous pedestrian and off-road cycling path

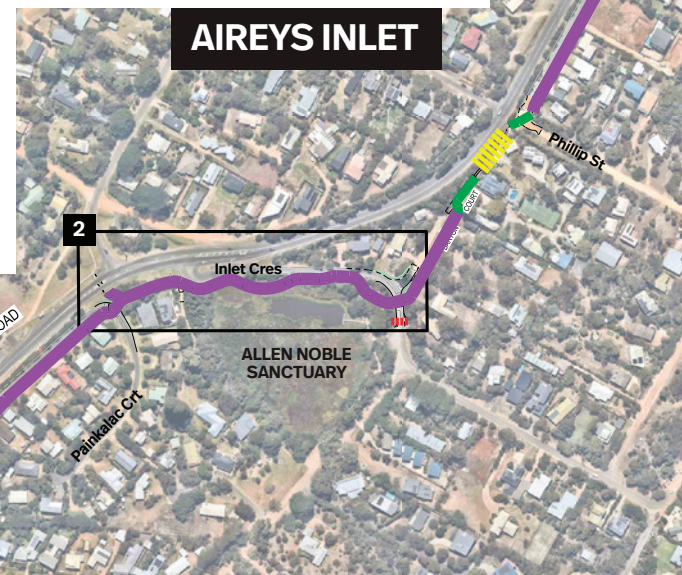

(Sample image)

Directional bollards to be placed at intersecting paths and roads.

AIREYS INLET

- Existing path
- Existing crossing
- Widen existing pathway for walking/cycling
- Proposed sealed shared off-road walking/cycling path
- Shared use area-cyclist dismount
